

Caribbean Dance Course booking form

*Course fee £1500 for flights, transfers to and from each island,
accommodation and tuition*

To book your place on our Caribbean Dance Course, please complete the form below.

When your cheque has cleared you will be sent a receipt for your payment and a payment record card which must be presented with each payment. Please keep in a safe place. (There is a pocket in your course folder where your card can be kept.)

Once half of the course fee has been made you will be given a course folder (this folder remains the property of Muraldo D.C. but you will received a pack at the airport which will be yours to keep) with the initial pages of information about the course. Each month you will be given further pages until the folder is complete. This pack will contain all the information you will need about attending this course and the islands we are visiting.

It is recommended that payments are made regularly and the final payment for the course must be made by the 4th February '08

Please detach above and return below with payment
